

Curriculum Vitae

I. Personal Data

Name: Domenick Coletti D.D.S. , M.D., F.A.C.S.
Address: 10710 Charter Dr, Suite 330, Columbia MD 21044
Work (410) 997-1010

Education

Undergraduate education

1986-1987 SUNY at Stony Brook, New York
1987-1990 B.S Biology Long Island University
1992-1993 Virginia Commonwealth University

Graduate education

2000 M.D. University of Maryland, School of Medicine
1997 D.D.S. Medical College of Virginia, School of Dentistry

Post Graduate Education

1997-1998 Intern in Oral-Maxillofacial Surgery
University of Maryland Medical Center
R. Adams Cowley Shock Trauma Center

2000-2001 Intern in General Surgery
University of Maryland Medical Center
R. Adams Cowley Shock Trauma Center
Baltimore V.A. Medical Center

2001-2003 Resident in Oral-Maxillofacial Surgery
University of Maryland Medical Center
R. Adams Cowley Shock Trauma Center

Certifications

1996-present Basic Life Support
1996-present Advanced Cardiac Life Support
1997 Northeast Regional Board of Dental Examiners
1997 Southeast Regional Board of Dental Examiners
2002-2006 Advanced Traumatic Life Support
2006-present Diplomate, American Board of Oral and Maxillofacial Surgeons

Licensures

2005-2009 Pennsylvania Medical License MD427410
1998-2004 Virginia Dental License 0401008952
2003-present Maryland Dental License 13235
2003-present Maryland Medical License D0060424
2005-2018 Florida State Medical License ME95360

2003-present DEA License BC8272180
2003-present Maryland State Controlled Substance License D53305
2003-present Maryland State Office Based General Anesthesia License
2003-present Maryland State Specialty License Oral and Maxillofacial Surgery

Employment History

Private Practice

2009- present Central Maryland Oral and Maxillofacial Surgery P.A
10710 Charter Dr, Suite 330, Columbia MD 21044

2009-2017 Baltimore/Washington Oral and Maxillofacial Surgery Center LLC
10710 Charter Dr, Suite 330, Columbia, MD 21044

Faculty Appointments

2008-2009 Associate Professor of Oral-Maxillofacial Surgery
University of Maryland Medical System
R Adam Cowley Shock Trauma Center

2006-2009 Division Chief of Oral-Maxillofacial Surgery
University of Maryland Medical System
R Adam Cowley Shock Trauma Center

2003-2008 Assistant Professor of Oral-Maxillofacial Surgery
University of Maryland Medical System
R Adam Cowley Shock Trauma Center

Medical Staff Appointments

2019-present Attending Surgeon
Howard County General Hospital
Department of Oral and Maxillofacial Surgery
Columbia, Maryland

2009- 2019 Attending Surgeon
Howard County General Hospital
Department of Oral and Maxillofacial Surgery
Columbia, Maryland

2006-2007 Chief of Maxillofacial Trauma
Sinai Hospital , Baltimore
Department of Oral and Maxillofacial Surgery

2005-2009 Attending Surgeon
Mount Nittany Hospital
State College, Pennsylvania
Department of Oral and Maxillofacial Surgery

2003-2009 Attending Surgeon

University of Maryland Medical System
 Department of Oral and Maxillofacial Surgery
 2003-2009 Attending Surgeon
 R. Adams Cowley Shock Trauma Center
 Department of Oral and Maxillofacial Surgery
 2003-present Attending Surgeon
 Sinai Hospital , Baltimore
 Department of Oral and Maxillofacial Surgery

Associations

2009- present American Dental Association
 2008-present Fellow of the American College of Surgeons
 2008-2012 AO North America Craniomaxillofacial Faculty
 2009-present Maryland State Dental Association
 2009-present Howard County Dental Association
 1997-2011 American Association of Oral and Maxillofacial Surgery member ID# 066967
 2003-2011 International Association of Oral and Maxillofacial Surgery
 2003-2011 Maryland State Society of Oral and Maxillofacial Surgery
 2003-2005 Associate Fellow, American College of Surgeons
 2004-2011 Oral and Maxillofacial Surgery Foundation

Honors and Awards

2011 Howard County General Hospital physician/nursing collaboration award
 2011 Trademark who's who practitioner award
 2011 Baltimore Magazine 2011 Top Dentist
 2005 Faculty Educator Development Award (FEDA), American Association of Oral and Maxillofacial Surgeons
 2001 Outstanding Intern Award, Department of General Surgery
 University of Maryland Medical Center
 1997 Graduated MCV Summa Cum Laude
 1997 Omega Kappa Upsilon Honor Society
 1997 Phi Kappa Phi Honor Society
 1997 The Quintessence Academic Achievement Award
 1997 The Pierre Fauchard Academy Award for Scholastic Merit
 1997 International College of Dentists Scholarship
 1997 Nominee for Richmond Dental Society Student Scholarship
 1996-1997 A D. Williams Scholarship for Outstanding Scholastic Achievement
 1994-1995 Medical College of Virginia, Dean's Scholarship
 1994-1997 Medical College of Virginia, Dean's List
 1996 Selected representative ADA/Warner-Lambert Dental Students Conference on Research
 1995 A.D. Williams Student Research Fellowship Stipend
 1995 Oral and Maxillofacial Student Research Fellowship Award
 1995 American Academy of Cosmetic Dentistry Student Research Grant
 1995 Selected representative The American College of Prosthodontics Convention, MCV
 1994 A.D. Williams Student Research Fellowship Stipend

1994 Nominee for ADA Dental Student Scholarship for Academic Achievement

Administrative Service

Institutional Service

2014-2015 Advisory Board Member Howard County Community College Dental Hygiene Program

2006-2009 Division Chief, Dept. of Oral and Maxillofacial Surgery, University of Maryland Medical System

2006 Division Chief of Maxillofacial Trauma, Dept. of Surgery, Sinai Hospital, Baltimore, MD

2004-05 Undergraduate mentor for student selective in Oral and Maxillofacial Surgery, University of Maryland School of Dentistry

2003-2009 Member Sleep Apnea Center, University of Maryland Medical System

2003-04 Member of the committee on dental student implant education- University of Maryland School of Dentistry

2003-2005 Member of the surgeon quality assurance committee- University of Maryland Medical System

2003-2009 Member of medical staff credentials committee-University of Maryland Medical System

2003 Member of operating room's laser committee -University of Maryland Medical System

Local Service

2010 Howard County General Hospital Cancer Prevention and Early Detection Clinic, October 23, 2010

2010 President Elect Howard County Dental Association

2002 Oral cancer screening course- Carroll County Health Department

2001 Free Oral Cancer Screening-Tobacco restitution, University of Maryland

1996 Faculty Promotion and Tenure Committee for James Giglio DDS, Oral and Maxillofacial Surgery Medical College of Virginia

1996 Faculty Promotion and Tenure Committee for Joseph Califano DDS, Periodontics, Medical College of Virginia

1996 Admissions Coordinator, Medical College of Virginia, School of Dentistry

1993-1996 Research Assistant-NIH funded, William Riley M.D., Medical College of Virginia, School of Medicine, Investigation of the psychological effects of smokeless tobacco use.

1994 Urban Oral Cancer Screening, Medical College of Virginia

1994 S.W. Virginia Rural Oral Cancer Screening, Medical College of Virginia

National Service

2005 Appointed by AAOMS to the OMS Scope of Practice Advocacy Task force.

2005 Item Writer, Oral and Maxillofacial Surgery Self Assessment Tool (OMSSAT) - In service training exam

2005-present Reviewer, Journal of Oral and Maxillofacial Surgery

2005-present Reviewer for Oral Surgery, Oral Medicine, Oral Pathology, Oral Radiology and Endodontology

2007-present Reviewer, Journal of Maxillofacial and Oral Surgery
2011-present Reviewer Journal of Craniomaxillofacial trauma

International Service

2005-present Peer reviewer for the International Journal Oral and Maxillofacial Surgery

Teaching Experiences

Undergraduates

Course Director

2005-2009 Course Director DSUR 531 junior (and former senior) dental student hospital oral and maxillofacial surgery rotation, University of Maryland School of Dentistry
2003-2007 Course Director DSUR 522 sophomore student course in Oral and Maxillofacial, , Baltimore College of Dental Surgery
2004-2007 Course Director senior student oral and maxillofacial surgery clerkship, University of Maryland School of Dentistry

Lecturer

2016-present Lecturer dental hygiene students oral pathology board review course, Howard County Community College
2004-2009 Lecturer senior dental student course medical emergencies, Baltimore College of Dental Surgery
2004-20006 Lecturer junior dental student course implant dentistry, Baltimore College of Dental Surgery
2001-2009 Lecturer DSUR 548 - junior student course, Advanced Topics in Oral and Maxillofacial Surgery, Baltimore College of Dental Surgery
2001-2009 Lecturer Oral and Maxillofacial Surgery seminar series, University of Maryland, Oral and Maxillofacial Surgery residents and dental students

Faculty Advisor

2005- 2009 Advisor for visiting national and international student externships
2003-2004 Faculty advisor for student selective in Oral and Maxillofacial Surgery
2003-2009 Faculty advisor for Oral and Maxillofacial Surgery Student Interest Group

Instructor

2003 Head and neck anatomy instructor freshman medical students-Gross anatomy course, University of Maryland School of Medicine.
2003-2009 Clinic instructor undergraduate Oral and Maxillofacial Surgery Clinic Surgery, University of Maryland School of Dentistry

Graduate

- 2008 Faculty advisor for Minal Patel, Department of Bioengineering, University of Maryland, College Park, NIH K99 postdoctoral career development award.
- 2007 Faculty advisor for graduate biomedical engineering students, Biomedical research project UMD BIOE capstone course Department of engineering, University of Maryland, College Park
- 2007 PhD Thesis committee member for Martha Betz, Orbital floor regeneration using cyclic hydrogels through enhanced osteogenic cell signaling of bone marrow stromal cells, Department of Bioengineering, University of Maryland, College Park
- 2006-2009 Clinical instructor for microvascular reconstructive surgery fellows, Department of OMS, University of Maryland
- 2003- 2009 OMS Chief for multidisciplinary (plastic/ENT/OMS) craniofacial conference at University of Maryland Medical System monthly conference
- 2003-2009 Graduate teaching for the oral and maxillofacial surgery residents including lectures, conferences, teaching ward rounds, and journal review.
- 2001-2005 Lecturer for physical diagnosis course for OMS, GPR, Periodontal, and Pedodontic residents
- 2003-2004 Lecturer joint OMS, Prosthodontic, and Periodontic resident implant conferences
- 2003-2005 Clinical instructor for implants Oral and Maxillofacial Surgery resident clinic, and AEGD resident clinic

Publications

Abstracts

Presentations

Local meetings

“Management of aggressive head and neck infections”, University of Maryland Pediatric Dentistry Program, July 21, 2021

“Treatment of soft tissue injuries ”, University of Maryland Pediatric Dentistry Program, August 4, 2021

“Management of aggressive head and neck infections”, University of Maryland Pediatric Dentistry Program, August 24, 2020

“Treatment of soft tissue injuries ”, University of Maryland Pediatric Dentistry Program, August 17, 2020

“Treatment of mandible fractures ”, University of Maryland Pediatric Dentistry Program, August 10, 2020

“Imaging in maxillofacial surgery ”, University of Maryland Pediatric Dentistry Program, August 3, 2020

“Management of midface trauma”, University of Maryland Pediatric Dentistry Program, September 27, 2020

“Management of aggressive head and neck infections”, University of Maryland Pediatric Dentistry Program, June 2020

“Comprehensive Treatment for Complex Maxillofacial Defects”, Howard County Dental Hygiene Association, May 2018

“Management of major maxillofacial defects and oral rehabilitation”, Howard County Korean Dental Association, October 2017

“Review of mucosal pathology”, Howard County Dental Hygiene Association, September 2017

“Comprehensive Treatment for Complex Maxillofacial Defects”, Howard County Dental Hygiene Association, September 2017

“ The Oral and Maxillofacial Trauma Patient”, Howard County Community College Dental Hygiene program, April 2016

“Comprehensive Treatment for Complex Maxillofacial Defects”, Howard County Dental Association, January 2016

“Management of aggressive head and neck infections”, Howard County Korean Dental Association, March 2015

“Comprehensive Management of Composite Maxillofacial Defects”, Grand Rounds, Howard County General Hospital, June 2014

“ Applied surgical anatomy for soft tissue facial trauma”, Howard County General Hospital, emergency department grand rounds, January 2012

“Management of aggressive head and neck infections”, Virginia Dental Association Annual Meeting, Williamsburg, VA, June 2011

“Cone Beam Computer Tomography in Dentistry”, Virginia Dental Association Annual Meeting, Williamsburg, VA, June 2011

“Clinical update on bisphosphonate osteonecrosis of the jaws”, Virginia Dental Association Annual Meeting, Williamsburg, VA, June 2011

“Fundamental of oral surgery principles and techniques” Maryland State Dental Association continuing education program, 2 hour lecture, Columbia, MD June 2010

“Cone Beam Computer Tomography in Dentistry”, Carefirst Continuing Education Program, 2 hour lecture, Baltimore, MD May 2010

“ Introduction of orthognathic surgery patients”, Howard County General Hospital, Floor nursing and staff, January 2010

“ Management of orthognathic surgery patients”, Howard County General Hospital, ICU nursing and staff, May 2009

“Treatment of craniomaxillofacial trauma”, R Adam Cowley Shock Trauma Center, OR nursing and personnel in-service, April 2007

“Treatment of midface trauma”, R Adam Cowley Shock Trauma Center, OR nursing and personnel in-service, November 2006

“Treatment of mandibular trauma”, R Adam Cowley Shock Trauma Center, OR nursing and personnel in-service, October 2006

“Management of odontogenic infections”, Metropolitan dental study group, March 2006

“Management of odontogenic infections”, Pikesville dental study club, January 2006

“Management of mandible fractures”, Plastic and Reconstructive Surgery Grand Rounds, Johns Hopkins University, August 2005

“Complication of implant dentistry”, Spring meeting, Southern Maryland Dental Hygiene Association, August 2005

“Treatment of mandible fractures”, AO/ASIF Basic course for O.R personnel, University of Maryland Medical System, April 2005

“Management of the irradiated head and neck patient”, Baltimore County Dental Hygiene Association, December 2004

“Management of odontogenic infections”, Anne Arundel Dental Society, September 2004

“Management of mandible fractures”, ENT Grand Rounds, Johns Hopkins University, July 2004

“Overview of oral pathology”, Spring meeting, Southern Maryland Dental Hygiene Association, April 2004

“Radiographic imaging in the craniomaxillofacial trauma patient”, AO/ASIF Basic course for O.R personnel, University of Maryland Medical System, April 2004

“Principles in complex midfacial trauma”, AO/ASIF Basic course for O.R personnel, University of Maryland Medical System, April 2004

“Dental implants in mandibular reconstruction”, Spring meeting, Southern Maryland Dental Society, March 2004

“Investigations of the mechanism of alcohol on composite wear”.
Clinical research symposium, Medical College of Virginia, Richmond, Virginia, 1996

“Effects of alcohol on polymer matrix and composite wear”.
Clinical research symposium, Medical College of Virginia, Richmond, Virginia, 1995

“Effects of alcohol on polymer matrix and composite wear”.
Hinman research symposium, Memphis, Tennessee, 1995

National meetings

D Coletti “ Comprehensive Management of ballistic injuries in an urban american trauma unit”, University of Rochester, Biomet Multidisciplinary Trauma Symposium, March 2009, Rochester, NY

D Coletti “ Management to mandible fractures”, University of Rochester, Biomet Multidisciplinary Trauma Symposium, March 2009, Rochester, NY

D Coletti, “Treatment Strategies for managing craniomaxillofacial defects”, Biomet Trauma Symposium, , 2009 American Association of Oral and Maxillofacial Surgeons Annual Meeting, Toronto, Canada

D Coletti, E J Lubek, “ Comprehensive reconstruction of major craniomaxillofacial defects”, 2 hour surgical clinic presentation, 2009 American Association of Oral and Maxillofacial Surgeons Annual Meeting, Toronto, Canada

D Coletti, E Rodriquez, “ Comprehensive reconstruction of major maxillofacial trauma defects”, 2 hour surgical clinic presentation, 2007 American Association of Oral and Maxillofacial Surgeons Annual Meeting, Honolulu, Hawaii,

D Coletti, J Caccamese, “ Aggressive Management of Deep Neck Infections”, 2 hour surgical clinic presentation, 2007 American Association of Oral and Maxillofacial Surgeons Annual Meeting, Honolulu, Hawaii

D Coletti, “Management of high velocity avulsive facial trauma”, 2007 Stryker: Advances in craniomaxillofacial trauma, University of Pittsburgh, PA

D Coletti, J Caccamese, “ Aggressive Management of Deep Neck Infections”, 2 hour surgical clinic presentation, 2006 American Association of Oral and Maxillofacial Surgeons Annual Meeting, San Diego, CA

D Coletti, J Caccamese, “ Aggressive Management of Deep Neck Infections”, 2 hour surgical clinic presentation, 2005 American Association of Oral and Maxillofacial Surgeons Annual Meeting, Boston, MA

D Coletti, R Blanchaert, “Implant based dental rehabilitation following mandibular resection”, at the Implant Symposium, University of Medicine and Dentistry of New Jersey- 2001

International meetings

D Coletti, Vascularized versus Non Vascularized bone for mandibular reconstruction. Lecturer at the March, **2009** AO North America Challenges and Advances: State of the Art Reconstruction in Microsurgery, Baltimore, USA

D Coletti, Vascularized versus Non Vascularized bone for mandibular reconstruction. Lecturer at the **2007** AO North America Challenges and Advances: State of the Art Reconstruction in Microsurgery, Baltimore, USA

Research

Grants

1. D Coletti, J. A. von Fraunhofer : Laboratory comparison of the threaded and tapered screws for locking reconstruction plates, \$10,000 granted from Osteomed for laboratory research.
2. L Litowsky, D Coletti, S Bergman: Co-investigator, Forest Research Institute: “A double blinded, placebo controlled, single dose parallel study of the analgesic efficacy and safety of oxycodone HCL 5mg/ Ibuprofen 400mg compared to oxycodone HCL 5 mg/ Acetaminophe 325 mg and Hydrocodone Bitartrate 7.5mg/ Acetaminophen 500mg in patients with moderate to severe pain following dental surgery” OXYMD-16 UMD IRB #24945, Grant \$135,000
3. H-28020: Double blinded, placebo controlled pilot study of the efficacy, safety and tolerability of oxycodone HCL when administered with or without Quercetin adjunctively to healthy volunterrs undergoing third molar extraction. Coletti (10%) 07/06/2006 - 06/30/2007 This clinical trial examined the reduction of opioid-induced CNS effects through adjunctive use of the herbal, quercetin.
4. Organization: University System of Maryland Initiative for Nano-Bio-Technology Development
P.I.: John P. Fisher, Ph.D.
Co Investigators: John Caccamese DMD MD, Domenick Coletti DDS MD, John Saulk DDS PhD
Title: Nanostructured Bone Engineering Scaffolds for Dental Applications
Award & Period: \$133,612 (06/01/2007 – 05/31/2008)
5. Organization: Maryland Technology Development Corporation
P.I.: John P. Fisher, Ph.D.
Co Investigators: John Caccamese DMD MD, Domenick Coletti DDS MD, John Saulk DDS PhD
Title: Human Mesenchymal Stem Cells for Craniofacial Bone Regeneration
Award & Period: \$229,972 (04/01/2007 – 03/31/2009)
6. Organization: Wallace H. Coulter Foundation

P.I.: John P. Fisher, Ph.D.

Co Investigators: John Caccamese DMD MD, Domenick Coletti DDS MD, John Saulk DDS PhD

Title: Biomaterial Scaffolds for Bone Regeneration

Grant submission: 3/2008

Funding granted: \$239,000

7. Organization: NIH; a proposal in response to Harnessing Inflammation for Reconstruction of Oral and Craniofacial Tissues RFA-DE-09-001

P.I.: John P. Fisher, Ph.D.

Co Investigators: John Caccamese DMD MD, Domenick Coletti DDS MD, David Mosser DDS PhD, Hockin Xu PhD

Title: Engineering Inflammation to Facilitate Craniofacial Bone Regeneration

Grant submission: 10/2008

Funding requested: 1.5 million

Instruments and Patents

Designed reconstruction plate bender with Stryker/Leibinger CMF, utilized in maxillofacial reconstruction.

Designed Fibula Miter Saw System ("Full Guard") with Biomet/W. Lorenz, utilized for free fibula osteotomies in microvascular reconstruction.

Domenick Coletti DDS, MD, FACS
